GENERAL

Each paragraph of these terms operates separately. If any of these terms are determined to be illegal, invalid or otherwise unenforceable under the law of any country or state in which they are intended to be effective,

then to that extent in the relevant jurisdiction, it or they will be deleted, with all remaining terms surviving, remaining in full force and effect and continuing to be binding and enforceable.

If we discover a pricing error in relation, we will contact you to inform you of it and will give you the option of continuing with the supply of the products at the correct price or cancelling your order.

If we fail to insist that you perform any of your obligations under these terms, the EULA or the PSA or if we do not enforce our rights against you, or if we delay in doing so, that will not mean that we have waived our rights against you and will not mean that you do not have to comply with those obligations.

These terms of use, any Contract based on them and any non-contractual disputes or claims are governed by English law and we both agree to the non-exclusive jurisdiction of the courts of England and Wales (or, if you are a consumer, any other applicable UK court).

As a consumer, you have statutory and other legal rights in relation to products which are faulty or not as described, and such rights are not affected by anything in these terms.
